MOTION: John Davidson/Bert deBruijn moved that the figure be reduced from \$ 25,000.00 to \$ 10,000.00.

The Convener of Finance spoke to the calls which have been made on the reserve fund in the past year. The motion was DEFEATED.

There was discussion on The Robert Fund Committee - the last sentence reads "It has become the custom to grant priority to the work in the French language." No changes were offered. Clarification will be sought from the Missions Convener.

In section 4.4, the last sentence was changed to read "Conveners, on retiring, who may have served for six or more years *are* eligible for appointment for one more year."

Approval of the Standing Orders was delayed until after the Report from the Robert Committee.

At this point there was a fifteen minute recess.

Finance Committee Report:

MOTION: John Paul/Dave Milne moved that the report of the Finance Committee be received for information. AGREED.

The revised Budget for 2002 was circulated. (See appendix - Finance Committee pages 3, 4 and 5)

The Treasurer drew attention to page 12 of the Treasurer's Report - the Balance sheet as at 31st August 2001 showing assets of \$ 24,718.00. These assets have now been reduced to \$ 13,610.46 and we have outstanding liabilities of \$ 10,000.00. Some Presbytery Assessments have still to come in.

Consideration of Synod's Budget will take place during the third sederunt.

Gracefield Five Year Major Maintenance and Capitol Projects Program:

This program is outlined on page 2 of the Finance Committee's Report and reflects the need for maintenance. With a facility valued at roughly \$ 500,000.00 one could reasonably expect maintenance costs in the region of \$ 25,000.00 per year. Gracefield Operating Committee anticipate that further demands might be made by the Quebec Building Inspector.

Larry Paul invited Mary Ingram to address the court.

Mary is the Youth-in-Mission Program Co-ordinator, which comes under the umbrella of the Life and Mission Committee. She reported that many excellent things are being done by the Presbyterian Church in Canada in Education for the Faith. Young people are being encouraged to discover new gifts and to develop known gifts. They are being brought into contact with missionaries of our church throughout the world. To make the experience more affordable, more Canadian content is being introduced. For example, there will also be a relationship with the ongoing work in Mistawasis in Saskatchewan. Teams of older youth will be going to eastern Europe, Croatia and Romania to work in children's camps. There is a need for adult leaders to act as tour leaders and mentors.

Information on Y.I.M. 2002 programs will be sent to congregations.

The time for the initial report being over, the Moderator thanked Mary for her presentation and called for the report of the Regional Staffing Committee.

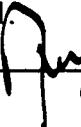

Regional Staffing Committee:

MOTION: Carol Bain/Druse Bryan moved that the report be received for information. AGREED.

There are 12,000 potential students.

The Institute is offering three types of program: Online Courses for students across the country, Elders' Institute on the road, offered at the invitation of Presbyteries. (These are workshops, conferences for congregations, presbyteries and synods.) Thirdly, there is the Elders' Institute in a Box. This is a short course for independent study, session meetings or workshops each consisting of four 1 hour lessons. The cost is \$ 25.00 for unlimited use.

W.M.S. Synodical Report:

MOTION: Druse Bryan/R. Martin moved that the report be received and considered. AGREED.

The following is the report:

The continuing decline in membership of the groups which make up the Synodical mirrors the decline of members of the congregations represented in the Synodical. While this could be a reason for discouragement we have chosen instead, as it was expressed by Lynda Reid at the W.M.S. Council meeting in May, "not to let the past be a stumbling block to the future. God is about to do a new thing with the Women's Missionary Society".

The four Presbyterials continue to provide excellent programs, incorporating worship and bible study at their meetings. Education and work with children and youth have always been important to the Society and the local groups, as well as the Presbyterials. They have welcomed the Flames initiatives and made them the basis for their programs. Informal research has also demonstrated that it is usually the W.M.S. group within a congregation which takes ownership of the Mission Study which is designated each year by General Assembly.

The Annual Meeting, held in Spencerville in April, featured the work being done in Guatemala at the Francisco Coll School – known as the "school in the dump". Dave Godmere, a member at Vankleek Hill who has made this his personal mission project, spoke of the tremendous odds faced by these children living there and of the difference the school is making in their lives.

For the Fall Retreat, held at the end of September at Gracefield, Rev. Roberta Clare of Montreal was invited to lead the program, using the 2001-2002 Flames initiative of "Equipping the Laity". The theme was "We are the Church" and those who attended found the weekend stimulating, educating, and yet relaxing, with beautiful scenery and perfect Fall weather.

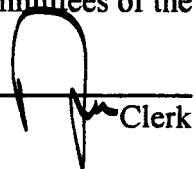

As an adjunct to my report this year I hope to provide each delegate to Synod with a copy of the latest publication from the Society – W.M.S. – Still Moving...2000-2001. It is my hope that each delegate will read it, take note of the various activities of the Society, and, bearing in mind that these are second or third mile givings from our members, acknowledge the tremendous financial contributions which are made each year both to mission within our own denomination and elsewhere, and thus learn more about the Society - one of the best kept secrets of our Church.

Gracefield Operating Committee:

MOTION: John Wilson/John Davidson moved that the report be received and considered.
AGREED.

The report is found in the appendix at "Gracefield Operating Committee pages 20 - 22". Over 240 young people attended the camp during the summer with 36 of them on camperships. The theme for the summer program was "No matter what: a love that won't let go" and many young people experienced, perhaps for the first time, both Christian camping and the love of a Christian community.

The camp also benefitted from a considerable number of volunteers.

If the summer programs cover costs, then those held in the Fall and Winter months will put the finances in the black.

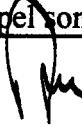

Mr. Norm Inglis, Treasurer, G.O.C. was asked to speak.

Although the camp is in a deficit position at the present time, if Gracefield is used to the same extent in the remaining months of the year as it was in the year 2000, the deficit will drop.

Outdoor education in June required staff and made use of the facilities and brought in revenue. Seventy percent of expenses are fixed - salaries and maintenance. Various means of reducing expenses have been explored, such as being more flexible with the use of staff and putting a lay-off clause into their contracts. The camp runs close to the line financially all the time. It would be good to have some reserves.

At this point the Convener invited the commissioners to go up to the sanctuary for a presentation from the young people who had been to Gracefield.

In the sanctuary, Ian Bone (Presbytery of Ottawa Youth Worker), Rob Christie, Dave Dixon, Jen Heckman, Darlene Morrison, John Pinck, Jeff Pinck and Carole Sinclair explained in word and song how Gracefield had been instrumental in developing and nurturing them in the faith. Members of Synod joined with them in singing contemporary Gospel songs.

It is an association of Christian Young People 16 - 25 years of age including their friends who may or may not be Presbyterians.

Efforts are made to connect young people with the Church and with other Christians, such as the work being done by Ian Bone, the Ottawa Presbytery Youth Worker, and the retreat at Vankleek Hill where young people from all five presbyteries were present. P.Y.P.S. serves young people from all backgrounds and from all locations. Mike spoke of his own experiences at Triennium and in P.Y.P.S. and how this helped to shape his Christian development.

Finance Committee - continued

John Paul presented the Budget for the year 2002 (appendix Finance Committee page 3, 4 and 5). The total of the Budget is \$82,600. It had been hoped to reduce this amount but with extraordinary expenses this was not possible. We still have outstanding loans to St. Andrews's and St. Paul's of \$5,000; Camp d'action biblique requires maintenance and upgrades. Money to make repayments on the loan from the Assembly Council has been included.

Recurring expenses such as Triennium, Rise-up, and Clerk's Conference will be budgeted in the year in which these events take place.

Comparative financial results from the Gracefield Camp and Conference Centre for the last five years were presented for information.

MOTION: It was moved by John Paul/Dave Milne that the proposed budget for the 2002 be approved. AGREED.

MOTION: Moved by John Paul/Dave Milne that the five-year forecast for Synod be received for information. AGREED.

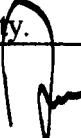

MOTION: John Paul/Dave Milne moved the adoption of the report as a whole. AGREED.

Committee on Courtesies:

MOTION: It was moved by Ian Gray and seconded by Cedric Pettigrew and AGREED that the thanks of the Synod be extended to the following:

FINANCE COMMITTEE REPORT TO SYNOD - OCTOBER 19/20, 2001

THIS REPORT WAS PREPARED FOR SUBMISSION BY SEPTEMBER 30, 2001. A SIGNIFICANT MEETING IS SCHEDULED FOR OCTOBER 13 WITH THE SYNOD AND GRACEFIELD CAMP AND CONFERENCE CENTER'S FINANCE COMMITTEES. THIS MEETING MAY RESULT IN SOME SIGNIFICANT CHANGES TO THE BUDGET FOR 2002 AND FIVE YEAR FORECAST PRESENTED HEREIN.

The following documents form part of this report:

- (1) Synod Financial Statement to December 31, 2000 (4 pages)
- (2) Synod Financial Statement to August 31, 2001 (4 pages)
- (3) Synod Budget for 2002 (2 pages)
- (4) Five Year Financial Forecast for Synod (1 page)

FINANCIAL STATEMENT TO DECEMBER 31, 2000

MOTION: That the Financial Statement to December 31, 2000 be received for information.

The year was a momentous year for the Synod's Finance Committee.

Several donations were received to reduce the Synod's debts for Gracefield

- Presbytery of Montreal - \$ 25,197
- Presbytery of Ottawa - \$ 20,000
- Various Congregations \$ 1,330

Gracefield Debts	Jan. 1, 2000	Jan. 1, 2001	Oct. 1 2001
PCC Loan	\$ 28,400	0	0
White Pine Lodge Mortgage	\$ 49,100	\$ 15,000	0
Church Loans	\$ 20,000	\$ 15,000	\$ 5,000
	<hr/>	<hr/>	<hr/>
	\$91,500	\$ 30,000	\$ 5,000

Highlights - In addition to the Annual grant to GCCC, we contributed \$6,000 to reduce their year end deficit.

- All Presbyteries honoured their assessments.
- We ended the year with a surplus of \$ 15,427.

MOTION: That Synod appoint Jack Hoye to review the 2001 statements.

FINANCIAL STATEMENT TO AUGUST 31, 2001

MOTION: That the financial statement to August 31, 2001 be received for information.

Highlights - 75% of the assessments have been received.

- Donations received from Congregations of \$3,026 for GCCC debts.
- The 2001 budget was revised in May by the Synod Council with a projected deficit of \$2,500, now we expect to end the year with a \$700 surplus.
- AEC funds from the WMS and PCC are received regularly to cover the salary and benefit costs for the two part time staff.

BUDGET FOR 2002

MOTION: That the proposed budget dated September 21, 2001 be approved.

Highlights - Final payment to St. Andrew/St. Paul for their earlier loan to Synod.

- Final payment to camp d'action for their septic system.
- \$5,000 has been added to pay down a loan from PCC Admin Council for the Gracefield Camp and Conference Center deficit for 2001.
- \$4,000 has been earmarked to support the GCCC 5 year program.
- \$5,000 to be used to improve the Synod reserve fund.
- Expenses for the AEC staff have been increased in this budget.
- The Youth Committee has been reactivated this year, hence additional funds for youth programs.

FIVE YEAR FINANCIAL FORECAST FOR SYNOD

MOTION: That the five year financial forecast for Synod be received for information.

Highlights - Note that there is a gradual reduction over the next 5 years in the total expenses based on the need as we see them at this time.

- Hopefully we can build up a reserve fund to over \$20,000.
- All 5 year forecasts are subject to continuous monitoring and updating as conditions change.

GRACEFIELD 5 YEAR MAJOR MAINTENANCE AND CAPITOL PROJECTS PROGRAM

This year the Synod Finance Committee initiated a program for GCCC maintenance and projects which was announced to all congregations last November and again in April 2001. This program is being administered by the Finance Committee.

The camp buildings are worth in excess of \$ 500,000. They require maintenance that should be in the order of \$ 25,000 per year to keep them in good condition. Over the years maintenance has not kept up with the needs and a catch is required - hopefully a part of this program.

In 2000, a Quebec Building Inspector submitted a deficiency list that required attention this year. Over \$20,000 has been spent for these repairs (\$7,000 from contributions and \$13,000 from Synod reserves). The work consisted of a) provision of fire alarm systems in White Pine Lodge and the Boathouse by a contractor - \$14,000 and b) installation of fire rated doors on bedrooms and enclosure of the stairways - \$6,000 with the associated labour provided by volunteers. In addition we acquired two 5000 watt generators (\$1800) to provide emergency power for the water pump and kitchen refrigeration in the event of a power failure.

Some capital projects have been identified that will require approximately \$20,000 per year for the next 5 years. A brief outline of the projects -

- Replace the craft hut - \$15,000. Half of this money has been received.
- Purchase a used 3/4 ton truck with a snow plow - \$15,000.
- Replace the underground wiring to the tent and trailer sites - \$10,000.
- Replace the overhead wiring to the cabins - \$5,000.
- New program equipment (not canoes) - \$10,000
- Winter storage building for canoes - \$20,000. Used in summer for rainy day activities.
- Upgrade of various buildings - \$25,000.

The response this year has been over \$15,000 including \$7,500 towards a new craft hut with firm commitments for next year at less than \$10,000. As you can see we will require significant additional support if this program is to be successful. We have a wonderful facility for Christian witness but it does require our constant attention.

We will be providing annual reports to congregations on the progress each year.

A NOTE OF THANKS TO ALL THOSE RESPONSIBLE FOR THE EXTRAORDINARY FINANCIAL SUPPORT IN THE PAST YEAR AND WE LOOK FORWARD TO YOUR CONTINUED SUPPORT IN THE FUTURE.

NOTES TO COMPARITIVE FINANCIAL RESULTS

1. In 1998, the Synod Grant includes \$2,000 for Audit Services. In 1997, this expense was covered directly by Synod. Since 1998, the Audit Fees of approximately \$4,000 per year have been paid from operating funds, thus reducing the effective Synod Grant to Gracefield operations totals shown by that amount.
2. Both Revenue and Expense for 2000 and 2001 include donations for and purchase of canoes (2001 - \$2650, 2000 - \$11,190). The Jemima Rae Fund is designated for this purpose.
3. Total wages of \$122,416 (45.6% of budgeted expenses) represent an increase of \$18,800 over 2,000.
4. Property Maintenance is up \$7,600 over 2000 and does not reflect considerable volunteer labour, particularly for Beaver Lodge bathrooms.
5. Greater detail on Designated Donations will be provided in the future.

The Synod of eastern Ontario and Western Quebec
The Presbyterian Church in Canada

I have examined the statement of income for the year ended December 31, 2000. My examination included such tests and other procedures, as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Synod as at December 31, 2000, and the results of operations for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The expression of opinion above is not to be interpreted as a view of a licensed practitioner, and the duties and liabilities normally associated thereto, are not implied nor are to be presumed. This expression is intended only for members of the Synod to assess Synod's financial position and results of operations for the subject year.

Recommendation 1: That the above Synod Grant Requests for 2002 be approved.

Robert Fund Committee

In conversation with Canada Ministries, we have discovered that the total amount that we might expect from the Robert Fund is \$10,000. The last two years we have had \$12,000 to work with. Once before when the amount dipped to \$10,000, it later improved to \$12,000, so we hope that will happen this time too. However, for this report the amounts from the Fund given to each of the four ministries will have to be decreased proportionately.

Assemblee Chretienne	\$ 600	\$ 500
La Vie Chretienne	9,600	8,000
Mission Montreal	1,200	1,000

TOTAL	\$ 12,000	\$ 10,000

Recommendation 2: That the above amounts requested from the Robert Fund be approved.

Respectfully submitted,

Larry Paul

**The Synod of Quebec & Eastern Ontario
Report of the Regional Staffing Committee**

October 2001

Having been given the green light at the 2000 Synod meeting to fill two part-time positions for Christian Education Coordinators, one for Quebec and one for Eastern Ontario, the committee worked very diligently over a period of six months. The hiring process proceeded fairly smoothly and by the end of April two candidates had been selected.

Budget negotiations with Church Offices in Toronto resulted in the hiring of two 2/3 time workers. The grant from WMS and Life & Mission will cover stipends and other employee benefits, while related job expenses will be the responsibility of Synod. The Synod Treasurer has these arrangements well in hand.

Anita Mack, who had been employed on interim contract in Quebec, formally started work on May 1. Christina Ball, from Chatham Ontario and now living in Ottawa, started in Eastern Ontario on August 1. Both are looking forward to the challenges of their positions and will initially be concentrating on making themselves aware of the needs and concerns of the congregations in their respective areas.

The committee is anticipating a lighter work load in 2002. A small sub-committee will be set up in each area to guide and advise the staff members and to respond to any questions or concerns that may arise.

Throughout the process of stabilizing the Christian Education component within the Synod, the committee has endeavoured to keep in mind the criteria resulting from the survey carried out early in 1999. Mission education, leadership development, and a strong commitment to youth featured strongly in the survey replies. With these workers in place it is hoped that congregations, church schools, youth groups and WMS groups will make use of the help and expertise which is now available.

Gracefield Report to the Venerable the Synod of Quebec and Eastern Ontario

Greetings in Christ:

On behalf of the Gracefield Operating Committee I wish to present to you the following report. The first part of this report will concentrate on the Overall Financial Picture at Gracefield Camp and Conference Centre, the second will report on the mission side of Gracefield, focussing on the Summer Program.

Financial Picture:

At this time, we are bringing to you our best estimate of our year end position, which as of October 13th, 2001 indicates that we will end the year with a deficit in this years operations of about \$4,500.00.

Members of Presbyteries (Ottawa, Seaway-Glengarry, Montreal, Lanark & Renfrew) may remember that I visited this past spring and reported to you our intentions to base our "break even" summer around the 250 paying camper benchmark. It was also our intention, that the 10% campership fee that was requested in the fees of all paying campers was to be considered as surplus on top of our camper goal. Unfortunately, we didn't reach our 250 paying camper number. We only got about 206 paying campers, far below our break even point, and therefore the 36 campers we brought in through the campership process, while significant as a mission opportunity, and very helpful financially, did not ultimately gain us a "break even" summer.

We, the GOC, share with you this disappointment. We have spent some time looking at the reasons why we did not break even this summer, and have some preliminary focus points we have identified as significant areas to be scrutinized at our Planning/Budgeting meeting at Gracefield on October 27th, 2001. We share these with you as discussions in process.

As far as what happened to cause us to miss our camper goal, we are still presently examining the possibilities. It is possible the 30% increase in summer camp fees was significant, although over most of the camps we were at reasonable norms for attendance. However in one camp we were significantly down in numbers. In this one camp, a couple of possibilities exist as to why in a camp geared for 40, we only got 19 campers. It is possible that in this Explorer camp (13-15yrs) we were in conflict with Triennium which ran about the same time. But it is also possible that we had narrowed the age range too much from the year before and not understood that at about this age young people start dropping out of camp attendance.

We are considering making cuts to the staff levels to bring them into line with the other major church camps. Some of these may be a result of the recommendations from the summer senior staff; some may potentially be from amalgamating job descriptions.

We intend to look again at the whole issue of whether we provide bussing for kids to camp. This fee was included this year in the cost of camping and not subsidized as it was in the past. We can decrease campers' fees by eliminating the busses. This may lead to churches being able to send more kids to camp. According to other summer camp directors, the concept of providing bussing may in fact take away from parents' exposure to the camp proper and thereby limit their potential love for the camp as well.

What also impacted us this summer was a decision we made at last years November Strategic Planning concerning the cost of meals at the camp. We significantly increased the meal fees (charged to guests and Tent and Trailer residents) to restaurant equivalents to equal the quality of what was being offered and to help us in our "break even" quest. Unfortunately, what that apparently did was make the quieter restaurants in Gracefield, PQ more attractive than the exuberant and noisy experience of dining in the cafeteria with children. Apparently, once child rearing years are over, a person's ability to appreciate noise at mealtimes decreases significantly! We need to examine again our pricing policy at our October 27th Strategic Planning/Budgeting meeting as this represented in the past a significant margin of profit and our revenues are down about \$3,000.00 in this area.

We also may need to revisit the early registration and group discount packages that we stopped in our drive to find revenue. We have been told that because we didn't have a group discount in place, churches were unable to send as many campers as they had the year before. Also, early bird special registration requirements might have given us advance warning of the one youth camp that was going to be severely down in numbers.

We also spent more money on capital improvements this year than in years past. Because in past years, maintenance was curtailed, an essential amount of catch up is required. Our maintenance spending was about \$45,000 this year. A significant increase over other years. On the plus side of this, though, is the fact that Gracefield is looking better than it has in some years, and we note as well a substantial increase in volunteer labour towards upkeep of the facilities. We also want to note the considerable number of volunteers who joined work parties, acted as nurses, dining hall hosts, chaplains and speakers and the camp's continued success with international student volunteers.

On the financing part of Gracefield's Operating Budget, we wish to report important progress. As a result of this past Saturday's meeting with the Synod Finance Committee an important offering has been made. While Synod Finance is proposing to Synod an Operating Grant to Gracefield of \$36,000 they are also indicating to us their intention to further support us through the capital side of renovations and upkeep. They are hoping to assist us in the materials portion of our maintenance budget (last year this

was about \$10,000 worth of supplies) from the results of their 5 year Capital Campaign which is entering its second year. They would like to help in this area and hope to support in the area of \$8,000 dollars. This potentially represents a substantial increase in support for the Operating Budget of the camp and we are very appreciative of this gesture.

What is also of importance to note is that overall this year, revenues were up significantly, the summer program was kept under budget, and this year's deficit is significantly lower than the last years'.

We intend to continue our efforts to aim for a break even summer program next year. We ask for your prayers and support for the upcoming season.

Summer Program

By no means the least of this report is our reporting of the excellent summer program that again occurred at Gracefield Camp and Conference Centre this summer. Of the over 240 kids that were there, some 36 of them came on camperships. For many of these young people it was perhaps the first experience of Christian camping and love of a Christian community. It was also, the most wonderful summer weather-wise for all of our campers. I want to personally commend to you the quality of staff and their dedication, graciousness and patience that I saw there this summer (I spent four days and three nights there this summer). As can be expected in this day and age, and in the mission fields in which we daily find ourselves, not all the children coming to Gracefield were gifted with the same life skills as others. It was to these children that I personally saw the love and generosity of the staff as they dealt with patience and grace in Christ's name, with these and the other children. The curriculum used in the Bible Study sessions were all from a Reformed background and were well received by both campers and staff. The theme for the summer program was "No Matter What: A Love That Won't Let Go".

We present this report to the Synod of Quebec and Eastern Ontario respectfully for your consideration.

Sincerely,

Rev. John Wilson
(On behalf of the Gracefield Operating Committee)
